The Manager,
Leap Accounting
Level 8, 189 Kent Street
Sydney NSW 2000

Dear Sir,

re: **Mr Christopher Sillince**

I have been asked to provide a reference for Mr Sillince.

Mr Sillince has been maintaining my Leap trust and office accounting system and MYOB for over six years. He also carried out the conversion from KG Data to Leap. I have found him to be extremely competent and capable in all aspects of Leap Accounting and MYOB. His attention to detail is superb and it is a great comfort to know that my trust accounting and controlled money accounting is completed accurately and reconciled every month.

Chris also carries out incidental accounting work, including payroll reconciliation, superannuation, payment of creditors and debtors control with equal competence.

I have no hesitation in recommending his services to any Leap user.

Yours faithfully,
Robilliard Lawyers

Christopher Sillince: Accent Practice Management

Christopher Sillince of Accent Practice Management prepares my accounts on LEAP and MYOB for the monthly management and matter based accounting, the Trust Account and Controlled Money reporting, the quarterly BAS statements and the end of year Trust and tax returns.

Everything Christopher does is timely and efficient and he is always ready to explain what is required and then take great care in presenting my accounts so that they comply with statutory requirements.

I am very confident in his expertise and it allows me to concentrate on the legal side of running the practice.

Yours faithfully

PETER KENNEDY
