LEAP Legal

Dear Sir/ Madam

SUZI WOODS

Ms Suzi Woods MICB, MYOB and LEAP Legal Certified Consultant and MYOB Retail Manager Professional Partner has assisted our office in the preparation and submission of Business Activity Statements and Management Reporting for the past 2 years.

The LEAP Legal software, which is the document and accounting management system utilized by our office is quite complex, and Suzi's understanding of both the MYOB and LEAP Legal software and her assistance in managing the accounting side of the practice has been invaluable. We could not have done it on our own, as it is such a specialized field.

I highly recommend Suzi to any legal office requiring the services of an experienced Consultant to assist their office with LEAP accounting.

Yours faithfully

To Whom It May Concern,

LEAP ACCOUNTING

When Rapid Legal Solutions needed someone to manage all of its MYOB and LEAP Accounting financial reporting requirements, we were not disappointed when we were referred to Suzanne Woods of Accounts-Right Business Solutions, one of MYOB and LEAP Legal's Certified Consultants.

Suzanne's experience and co-operative nature meant that she was able to take control of all aspects of our MYOB and LEAP Accounting systems and training of our staff.

I would have no hesitation in recommending Suzanne Woods for all of your MYOB and LEAP Accounting requirements.

Yours faithfully
