Dear Sir/Madam

**RE: DRAWBRIDGE SOFTWARE INTEGRATION PTY LTD**

I wish to provide an endorsement for the abovementioned company.

I operate using LEAP Office including LEAP Accounting as well as MYOB.

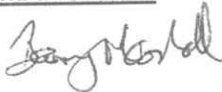

Drawbridge Software Integration Pty Ltd has provided my firm with IT consultancy and support on a regular basis since October 2007.

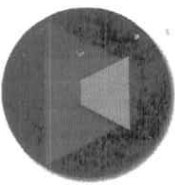

I have found the company to be reliable, turning up promptly when called on for assistance.

I have also found them to be extremely competent, resolving problems expeditiously.

I would have no hesitation in recommending their services to any prospective customer.

Yours faithfully
