Quality • Value • Efficiency

Our Ref: SR:KE:07003
Your Ref:

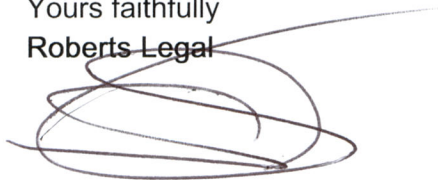

30 August 2010

To Whom it May Concern,

Tristan Hough of Myrtec has attended my office to consult me regarding requirements for the upgrade, migration and installation of LEAP 10. He and his team were very professional and knowledgeable and spoke to me in plain English.

I am happy to endorse Tristan and Myrtec's capabilities.

Yours faithfully
Roberts Legal
